“THE WAY - EXTREME” at Woodcrest Retreat

Adventure game and persecuted church simulation combined for a totally **UNFORGETTABLE** experience!

“THE WAY” has become a favorite night time activity of our Summer Resident Campers. We have made it “extreme” and are inviting your senior high youth group to experience what it may feel like being an illegal follower of Christ. You won’t want to miss it! Registration limited to the first 150. Reserve a place for your youth group.

The “setting” is a country where all Christian activity is illegal. Your small group of believers have Bibles to deliver to the “underground church!” Under cover of darkness you must follow the clues to find the secret meeting place. BUT BEWARE, the “Guards” have learned that some Christian activity is occurring in the area. They would enjoy nothing more than capturing Christians, throwing them in “prison”, interrogating them and having them renounce their faith! What will happen to you? Will you be caught? Will you deny your faith? Will you be successful in the task of encouraging the persecuted church?

Bring:

- Willingness to learn
- Adventurous spirit
- Small flashlight
- Fellow followers of Christ

Leave with:

- Appreciation of our religious freedom
- Deeper understanding of the persecuted church
- Group experience that will long be remembered

Preparation:

Wear dark clothing and shoes that are OK for getting dirty. Simulation game held outside regardless of rain, cold, snow, moonlight, or cloudy.
