CAMPERSHIP FUND APPLICATION

BACKGROUND

The Woodcrest Retreat Campership Fund was established to provide financial assistance to campers who would otherwise be unable to attend camp. Each year there is an annual appeal to encourage friends of Woodcrest to help support the campership fund for the coming summer.

QUALIFICATIONS

- 1. As long as Campership Funds are available, funds will be granted based in part on the National School Lunch Program guidelines for eligibility and to persons who demonstrate the greatest financial need.
- 2. Under most scenarios, a Campership may only be applied to one session per camper per summer. One exception: If a parent, due to employment, needs to register their child for 3 or more weeks of day camp, they may be eligible to receive additional funds, if available.
- 3. The Campership Fund does not cover the \$50.00 per child deposit fee.
- 4. After the deposit is paid, Campership Funds are awarded as partial or full camperships depending on the financial need, household size/income, and availability of funds.
- 5. Your Woodcrest account must be in good standing (i.e. no remaining balance from previous years or sessions without prior arrangement).
- 6. Following the camp season, scholarship recipients are asked to write a short thank you note sharing details of their camp experience for us to share with contributors to the Campership Fund.

HOW TO APPLY

- 1. Register for summer camp.
- 2. Complete the Campership Fund Application. Please use one application per camper. You can write "refer to other application" and list the other child's name where information is duplicated.
- 3. Scan and email (info@woodcrestretreat.org) or mail the application to:

Woodcrest Retreat — Summer Camp 225 Woodcrest Dr. Ephrata, PA 17522

4. We will notify you as soon as possible, regarding the status of your campership. In the event, you are not granted a scholarship, and you choose not to attend for this reason, your deposit will be refunded.
