# DIVING DEEP

Ever wonder what's at the bottom of the ocean? About 95% of the ocean floor is still unexplored, with unknown hills and valleys throughout. That means there is a lot of discovery to do! Our Bible times this summer will be spent discovering the valleys of our own lives, the hard times and difficult questions that everyone has to face at some point. Thankfully, the Bible offers truth that we can trust. So get ready to dive deep; we have some exploring to do!

## DAILY ACTIVITIES:

Campers will experience a diverse set of activities that broaden horizons and build lasting memories, including creative crafts, 225 ft. waterslide, swimming, group games, sports, night activities, and interaction with live animals. Additional activities vary between camps.

## HEADLINING EVENTS FOR 2020 WEEK-LONG CAMPS:

- The Great Fort Battle
- Theme night: "Dive Deep" water carnival
- Capture the Puzzle night game
- Forest Follies skit night

## DAILY LIVING:

The camp experience allows kids to unplug from "normal" life surrounded by the grandeur of God's creation. Campers sleep in bunkhouses without electricity and cook breakfast and some dinners over a campfire. Lunch is served in the dining hall.
