

2021 Woodcrest Retreat Season Pool Pass Application

ALTHOUGH this summer will not require the monitoring that we had last summer, there are still limitations and guidelines that will impact our pool protocols. We will still have limits to occupancy but will not be as stringent. These procedures are in place but are subject to change as the situation changes in the months ahead. We will communicate those changes via email and will post those changes to our website. Please consult the enclosed pool schedule for the current summer hours, which are also subject to change.

To obtain a season pass, please complete the form below and return with payment to the Woodcrest Retreat office. Upon receipt of your registration your household will be added to our season pass list and may enjoy the use of the Woodcrest pool facility. We look forward to serving you and helping you have a refreshing summer!

Pool information can be found on line at: www.woodcrestretreat.org/recreation/pool
