Campers will only be released to persons listed as authorized to pick up. If you need to update this information you can do so on Campwise under the camper profile form. This applies to anyone picking up a camper from camp.

If I forgot an item for my camper, can I drop it off?

In order to provide a safe environment for all campers, visitors are discouraged and must be approved by the administration before visiting. All guests must register at the office before proceeding into camp.

If you need to drop off an item for your camper please label it with your camper's name and leave it with the office. Camp leadership will pick it up there and give it to your camper.

What safety measures does Woodcrest pursue?

FIRST AID AND SAFETY - Our summer staff team includes a Health Care Provider who is trained in first aid administration. In addition, a camp administrator lives on-site during the camp program. We ambitiously recruit counselors and staff members that possess quality Christian character, obtaining all necessary background checks and clearances. We also ensure all staff are CPR certified.

POOL - All campers must take a swimming test before entering the pool. The pool is supervised by both counselors and certified lifeguards.

What should I do if my camper has special dietary needs?

Concerning peanut and tree nut products: As a rule we do not use peanut or tree nut products in the meals and snacks we provide. (Although some prepackaged snacks we provide are often labeled as manufactured in facilities that handle peanuts and tree nuts.) However, please note that snacks and candy with peanuts and tree nuts are available for purchase in our Gift Shop and Snack Bar.

All other special diet concerns: We are limited in our ability to accommodate special diets. If your camper needs a special diet while at camp please bring prepared food, labeled by meal, for them to Check-in. We will make sure it is stored properly and is given to them at the appropriate time.

What if my camper has a TSS?

TSS support for your camper is allowed in the Discovery Day Camp program but must be arranged in advance. If your child has TSS services and you have not already spoken with us about them coming to camp please contact the office as soon as possible.

What items are not allowed at camp?

ELECTRONICS AND OTHER ITEMS TO LEAVE AT HOME - Summer camp provides children with a great opportunity to 'unplug' from their daily routine in a fun and exciting way. Woodcrest is also a place where we strive to put relationships with one another and God first. Electronic devices often hinder these goals and increase the likelihood of behavior problems. So, please make sure your camper leaves all electronics such as cell phones, ipods, cd/mp3 players, apple watches and similar devices at home because they are not permitted at camp.

Pocket knives are also not permitted at camp. Staff reserves the right to confiscate any item that compromise the safety, goals and values of camp for the duration of the program until dismissal.
