Favorite thing to do at camp: Playing Gagaball, Fireside worship, also just talking to campers and staff and getting to know them.

Favorite Disney movie: Tangled

What are you up to now?: I'm currently running my own online vintage clothing business and hoping to get an in person store soon. I also just bought a scooter which is super exciting!

One challenge you are facing now: staying motivated doing schoolwork because it's my senior year and I'm excited to be out and travel.

Favorite Bible Verse: Romans 12:1-2 it's such a good reminder whenever I read it, that we aren't meant to fit into this world and we shouldn't be afraid to stand out because when God's grace and love truly shines through us we WILL be different!

CAPTION THIS!

Email back a caption of this summer camp photo with your name and age, and if you win you will be mentioned in the next issue!

DIVING DEEPER

**“For the LORD takes delight in his people;
he crowns the humble with victory. “**

Psalms 149:4

Do you have something you’re really proud of that you like to show off? Maybe a drawing hung on the fridge, a really good grade, or a trophy on your bookshelf. We display these things because seeing them brings us joy, and we want other people to share our joy as well. It doesn’t matter if it’s the first time you’ve looked at it or the one hundredth time, there’s just something about it that makes you smile.

God feels the same way about you! That’s what Psalm 149 tells us. You might worry that God gets easily annoyed with you or just loves you because—being God—he has to. But the Bible says God takes delight in his people. This means that he likes you because you are you. Not because you are perfect. Not because you always listen to him. No one follows God perfectly. But he loves you anyways!
