Building for Kingdom Impact

Partnering For the Gospel

2023 Sponsorship Invitation

Our mission is to introduce people to Jesus Christ and encourage Christian growth through programs and partnerships that emphasize creation and community.

We invite you to partner with Woodcrest Retreat for kingdom impact.

Woodcrest served nearly 35,000 on-site guests last year through our various services. Since summer 2020, our summer camp program has grown by 29%. We reached 1,956 campers with the Gospel of Jesus Christ in 2023!

We are intentionally developing partnerships with churches and ministries to help create space for others to do their ministry in a quality setting. Over 275 churches used Woodcrest's facilities and programs, including ten churches that used our pool to baptize 39 new believers this past summer.

Our new School of Wonder is expanding our ministry by taking advantage of the 110-acre classroom that God has given us. We are helping students from Christian and public schools, as well as homeschool families, discover the wonder of God through what He has made.

Additionally, a number of community events help us reach others with the light of Christ. Our popular Journey to Bethlehem and Fall Fun Fest, allow us to

Making this ministry happen is a partnership. Woodcrest is committed to seeking God's leading and taking faith-filled steps to follow Him. As we partner with God to accomplish the task He has given us, we also rely on partnerships with supporters to help us make it all happen. To adequately handle the growth we have experienced in the past few years, we have added additional staff. Some of our older facilities are unable to handle to increased use. New plans are being developed to help us address these needs, including adding a new shower house in 2023 for our overnight camp area.

a serve a growing and diverse community while sharing Christ's love.

In 2023, are excited to offer several new programs to help us fulfill our mission. We are offering a Ministry Leader's Summit, Biblical Worldview Training programs for teens, and a new Family Camp Weekend in September.

We are reaching out to our business community to consider an intentional partnership with Woodcrest Retreat.

There are exciting plans in the works, but it requires a financial backing that is not currently in place. Partnerships Levels, like the ones listed to the right, are a way for you to invest in Woodcrest's mission while allowing us to show our gratitude and appreciation. We want the Woodcrest community to know and support those businesses and organizations that support us. Beside

financial support, we would invite you to consider additional ways to help further the ministry. Gifts in kind and donated or discounted services are another great way to help us keep camp affordable. We would love to talk more about what a partnership with your business might look like.

Most importantly, we are committed to keeping our summer camp affordable so that finances are never an excuse to not experience the power of camp. We intentionally subsidize our summer camp asking our supporters to help make that possible through contributions. The recent growth has made that task more challenging, requiring us to raise \$100,000 a year to meet budget for our summer programs.

Business partnerships are an essential part of helping us serve well, cover the planned budget shortfall, and enable us to invest in our facilities beyond what our operational budget permits.

Our Celebration Banquet is a night of celebrating God's work at Woodcrest. Attendance is 200-220 people. This year we are announcing our new program expansion. Supporters are invited to bring friends interested in our mission.

The Annual Golf Tournament is a packed out event with 144 golfers (36 foursomes) coming out for a day of fun for a good cause. A very generous event, the tournament is our biggest fundraising event.

The Fall Family Fun Fest continues to grow each year with food vendors, a silent auction, and plenty of fun games and activities for all ages. We are launching our first ever Escape the Trail Race. A large team of volunteers served over 400 guests last year.

New for 2023—Steve Green in Concert. We are excited to have Dove-award winning singer Steve Green host a benefit concert as the capstone event of our new Family Camp Weekend. We are seeking sponsors to cover all expenses so that ticket sales and donations go to the ministry.

Ministry Partners are a huge blessing. Show your support of Woodcrest at all of our events and fundraisers and help us close that \$100,000 gap not covered by camper fees. Ministry Partners are investing in God's Kingdom in a substantial way.
