

Woodcrest Retreat is looking for individuals who are willing to serve as prayer pen pals for our summer staff. Our 70-summer staff are a group of teenage and young adults who serve with us for nine weeks during June through August. We are seeking support from the local church to come alongside them as prayer partners. Prayer partners will be paired up with one of our summer staff members and will receive a short bio sharing who they are. As a prayer partner, you will be able to send them letters of support and small cheering gifts. It means a lot for our staff to feel the support of the church through the long summers. Become pen pals and impact a life this summer!

Thank you!

Matthew Good
