

The Highlights of this Issue

Woodcrest interacts with over 300 churches throughout the year. Please pray for these faithful church partners in their ministry, challenges, and for their leaders.

Woodcrest is excited for our second year of Truth Summits. These are biblical worldview conferences for teens. Please pray for these teens as they wrestle and grow in their faith

Woodcrest begins our hiring process for our team of over 70 summer staff. Pray that God would bring the right people for these roles and give us wisdom for this process.

The winter months are a time where our senior full time staff has a chance to grow as a team and refresh for the coming spring. We ask that you join with us in prayer as we grow and prepare our hearts to serve.

Woodcrest Prayer Calendar February 2024

Dear Friends of Woodcrest,

At Woodcrest, the month of February is like receiving an unexpected package. It is exciting; you pick up the box from your porch, uncertain. You carefully feel its weight, study its size, and labels. You wonder “Did someone send me a gift?”

During this season at camp, we are working towards a new season of summer camp and retreats. We prayerfully prepare for every individual who will walk onto our property this year, anticipating that they will experience the wonder of God. None of this is possible without the prayers of our community and supporters.

These new monthly prayer calendars contain the daily events, needs, and praises of Woodcrest, as well as our partnering organizations. We invite you to use these calendars and come before the throne of our Wise Shepherd. These calendars can be found on our prayer partner page of our website under the “About Us” page. You may also call our office to request a paper copy mailed to your door. Please join with us in prayer as we prepare to open the 2024 box.
