The Adventure Director is also wilderness first-aid certified.

What items are not allowed at camp?

ELECTRONICS AND OTHER ITEMS TO LEAVE AT HOME - Summer camp provides children with a great opportunity to 'unplug' from their daily routine in a fun and exciting way. Woodcrest is also a place where we strive to put relationships with one another and God first. Electronic devices often hinder these goals and increase the likelihood of behavior problems. So, please make sure your camper leaves all electronics such as cell phones, ipods, cd/mp3 players, apple watches and similar devices at home because they are not permitted at camp.

Pocket knives are also not permitted at camp. Staff reserves the right to confiscate any item that compromise the safety, goals and values of camp for the duration of the program until dismissal.

Outbound Camper Safety Parent Contract

Woodcrest Retreat is committed to camper safety. To that end, we have set stringent measures in place to guarantee that our trips are safe & enjoyable. In order to maintain camper safety, campers need to show that they are able to listen to and follow directions from our Outbound camp staff. If the Outbound staff contacts us mid-trip and informs us that they feel they are unable to maintain control of any certain camper, we will make the decision as to whether or not they need to go home. Here is an explanation of what the lead-up to that decision will look like:

Strike 1: the behavior of concern is addressed by the camper's counselor, a reprimand is given along with an appropriate punishment, if applicable.

Strike 2: the behavior of concern is brought to the attention of the Adventure Director, who will discuss with the people of interest the situation, offer correction, and divvy out appropriate discipline. At this point, the Adventure Director will contact Woodcrest leadership and update us on the situation, and we will in turn let you (the parent) know that your camper is currently at Strike 2 in this process.

Strike 3: the behavior of concern has persisted to a point where the Adventure Director feels that they are no longer able to safely care for the camper in question, or the other campers in the group are no longer able to be cared for properly due to the camper exhibiting the behavior of concern. This will result in an immediate call to Woodcrest leadership, who will make the decision as to whether the camper needs to leave.

The goal with this system is not to send a camper home for making 3 mistakes, the Outbound staff will be making the judgement calls on if a camper needs to move from no strikes to strike 1, from strike 1 to strike 2, etc. If the staff are no longer able to secure the safety of the group because of the behavior of an individual, we can no longer safely have that individual on the trip.

If your camper needs to leave an Outbound trip, you (the parent) will be contacted and told that the camper needs immediate pickup. We will give you a timeframe that you need to arrive at the pickup location to collect your camper. If you are unable to arrive in that timeframe, Woodcrest will send staff to pick them up for you and bring them back to camp. This will incur a fee of \$300, and we would ask you to then come pick them up from camp at the earliest opportunity.

Therefore, I (as a parent) agree to my camper following this discipline policy and will adhere to the standards set for pickup & safety as outlined above.

Failure to sign this document will result in your camper being removed from the Outbound trip in question.
