

2024 Summer Testimonies

Parents:

- We are very thankful for Ryan. He did a great job taking care of Josiah this past week. He encouraged Josiah to do things but also helped him out a ton! Josiah has a lot of needs, but every morning Ryan was at the table with a smile on his face and welcomed Josiah. Josiah really liked that Ryan would wave to him when he drove by our camp site in the evenings. That made Josiah feel special.
- Both of our daughters had another wonderful week at camp! They loved their counselor Faith and enjoyed connecting with the other girls in their cabin. Our oldest daughter said that she enjoyed the week at Camp more than our family vacation! Thank you for providing such a wonderful opportunity for the next generation to grow in their walk with God and other Christian kids!
- Emma loved her counselor. She gave Emma a little nickname at the beginning of the week, which made her feel very loved and special, and it carried through the whole week.
- Caleb was AWESOME! We are thrilled there are young Christian men willing to volunteer and lead boys. Strong male leadership grounded on God's truth is critical; we prayed for him all week!
- Jaxon enjoyed his time and was able to be a regular kid at camp which may not sound like much, but in our world where Type 1 Diabetes requires attention and action sometimes, it's a true gift. Jaxon really enjoyed all his time and while I'm not sure it changed him, the experience with staff caring for him has changed me. I'm beyond grateful to everyone, but especially to Gregg Gattuso and Natalie Klees for making this summer camp experience possible. I truly can't thank them enough for following Jaxon's blood sugar numbers and rushing to him to help correct his blood sugar when he had a low, and overall, just making him feel special and cared for. You're a blessing! One more shoutout to Elena in the office for fielding my phone calls, requests and early pickups. I witnessed her juggling phone calls, campers and my requests with ease and I truly appreciate her. You all run such a wonderful camp and the staff is awesome. I know my sons life was touched this week and as a parent I can't say thank you enough. God is blessing your camp!!! You are all in turn blessing children and families. Keep up the great work.
- Our daughter enjoyed the bonding experience with the girls in her cabin. And her counselor (Season) made the week such a great experience for her! Thank you! Loved her! And thoroughly enjoyed that she took time to braid and put beads in their hair.

Campers:

- I learned a lot from our speakers Bill and Corey and the songs that were chosen were perfect. This week has furthered my faith, and I was provided with a perfect counselor and great cabin mates! Thanks so much for the lifelong memories!
- I really grew in my relationship with God and got out of my slump. I also was able to share some of my favorite and special memories with my cabinmates.
- My Relationship with Jesus became much more serious and intact. I am going to truly devote myself to him.
- The testimonies after The Way impacted me
- I Have grown Stronger in my Faith for Christ through the wonderful counselors, bible time, fireside, and testimonies.

Attendance

- 2,009 Total Camper Enrollment
- 1,197 Individual Campers
- 842 Families

Impact

- 45 First time commitments to Jesus
- 57 Rededications to Jesus
- 36 Campers Connected to a church
- About 300 Churches Served
